Dear Alexander Adamick:

This letter confirms the actions of the Architectural Review Committee (ARC) of the New Orleans Historic District Landmarks Commission at its meeting of Tuesday, April 20, 2021, concerning your application for the following work: Renovation and addition to a one-story, single-family residential building.

The ARC voted to recommend conceptual approval with the details to be worked out at Staff level. The ARC stated that the header heights of the front windows could be modified to be 9'-0". The ARC recommended adding a window to the front façade of the camelback in the bathroom; the opening can be a faux-shuttered opening.

This item has been placed on the consent agenda of the next New Orleans HDLC Commission meeting to be held on Wednesday, May 5, 2021 at 1:30 p.m. The upcoming Commission meeting will be conducted virtually and will be accessible via computer, telephone, or a combination of the two. Additional instructions and access information will be emailed to the contact address on file prior to the meeting. It is strongly recommended that you attend this meeting to answer any questions or concerns the Commission might have. Should you have any questions concerning this matter, feel free to contact me at (504) 658-7055 or wcargile@nola.gov.

Sincerely,

WLC
