5/18/2022 To Safety & Permits, I, Caitlyn Beltrani – the owner of 2223/2225 St Philip, would like to void the permit application, reference code 4FFVK6, applied for by Jennifer Johnson with City Wide Construction. The contractor has been unresponsive with resolving the issues of unpermitted work done on the property before I purchased it. I will be applying for a separate permit with a different licensed contractor, Aced Homes located at 2721 Dumaine St, New Orleans, Louisiana 70119. I do not want the new permit, work, or my property associated with this contractor and their unpermitted work. Thank you, _____

My understanding is that Aced Homes is the general, and Citywide is just a sub. (That's why Aced submitted their GC license.)

Hey sir! In the docs on this app there is a letter removing Citywide as the contactor.
