4421 Burgundy St. is located in a Local Historic District which is under the jurisdiction of the HDLC. I am working on the HDLC review of this project; please let me know when you have uploaded a document showing the full scope of proposed work. Alternately, you can email this documentation to me, and I can upload it for you (you can also just respond to this email with the whole scope of work outlined).

Please note that drawings or other details may be required depending on the scope of work.

As there is an open violation on this building, the scope of work must address the violations in question. Please see attached for the letter that was sent out regarding these violations.
