

Identification of the Rooms of the House on 4304/06 Constance St

There are 5 rooms on either side of the duplex house, all of which are to be used for the same purpose on either side. The rooms, beginning in the very front and going back towards the backyard, are designated for the following: the front room shall be the living room; the next room shall be the bedroom; the next room shall be the dining room; the next room shall be the kitchen; the very last room is the bathroom. This is the order and designation of the rooms for both sides of the house.
