Hi I'm so sorry, I just saw this. All we are doing is the shingles on the roof. That's it, nothing else.  
Thanks so much!  
Amy

Good afternoon,

I have received your application for work at the above referenced address. Please confirm whether or not the replacement of the existing asphalt shingle roof is the only proposed exterior work. Please note that HDLC must review and approve ALL exterior work including routine maintenance and repairs which are visible from a public right of way. Please also confirm whether or not the existing awning roof will also require replacement, and please confirm what the proposed roof replacement material is (asphalt shingle, metal standing seam, etc). Please respond directly to this email so that I can continue the HDLC review for you and please let me know if you have any questions.

Thanks,

**Dennis Murphy**
