Dear Daniel Zangara:

This letter confirms the actions of the New Orleans Historic District Landmarks Commission at its meeting Wednesday, August 3, 2022, concerning your application for the following work: Details of renovation of a Contributing rated, two-story, single-family residential building including details of new side porch.

At that time the Commission voted to:
Grant conceptual approval with the details to be worked out at the staff level.

Please submit one set of final detailed drawings reflecting the recommendations of the Architectural Review Committee. A list of required drawings and details has been included for your use. Be sure to include all pertinent drawings and details listed. Following review, we will contact you regarding any errors, omissions, or changes. All drawings should be submitted to Staff electronically. Once approved, these drawings will then be transmitted internally to Safety & Permits for their review and permitting. As such, it is important that the final drawings are sufficient for review by both Departments. Should you have any questions concerning this matter, feel free to contact me at (504) 658-7055 or wcargile@nola.gov.

Sincerely,
WLC

Wendy Cargile
