No plumbing. It's just the warming. they are bringing all dirty back to the catering facilities.

thanks

Zach,

Got it, thanks. One last question for you: does the scope of work include any plumbing work at all in Room 115 (the food warming area)? Even if only adding fixtures, you'll have to get SWBNO riser approval.

If no plumbing at all, not even new fixtures, then confirm via return email and I'll file along with your other docs and we'll proceed w/o further hitches.

Regards,
W.

Good morning Warren,

Hope you are doing well.

Please see attached SFM docs for this project.

Thanks,
