We agree to furnish labor and material to install new shingle roof at 816-18 Alvar St.
All of present roofing shingles to be removed. (Asbestos)
Install new synthetic roofing felt.
Install new Owens Corning Lifetime Architectural roofing shingles.
Install new drip edge around entire roof.
Remove and reset the existing ridge tiles.
All trash to be removed from job.
Job to be covered by workmen's compensation and public liability insurance.
Job to be guaranteed for a period of five years against any defects in workmanship.
Job to be paid the sum of \$6,145.00. **(Payment due upon completion)**

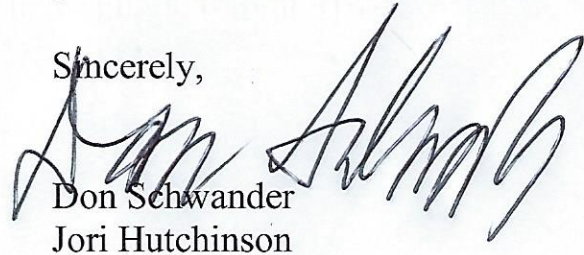

There will be an additional charge, if necessary, to change any bad lumber on roof.

To install 3/8" plywood, if needed, would cost \$2,940.00.

To replace low profile R-panel metal roof, in rear, would cost \$3,570.00.

To clean, prime and coat metal roof in rear with acrylic elastomeric would cost \$1,395.00.

Sincerely,

Don Schwander
