Dear Miwako Hattori:

This letter confirms the actions of the Architectural Review Committee (ARC) of the New Orleans Historic District Landmarks Commission at its meeting of Tuesday, August 16, 2022, concerning your application for the following work: Renovation and camelback addition to existing Contributing rated one-story, two-family residential building.

The ARC agreed the configuration and arrangement of windows at the left and right-side elevations is appropriate and that these areas will be minimally visible from the street. The ARC also agreed that a simple vertical trim board should be installed at the left and right sides to note the junction between the original historic building and the new rear addition.

The ARC voted to recommend conceptual approval with the details to be worked out at the Staff level. This item has been placed on the consent agenda of the next New Orleans HDLC Commission meeting to be held on Wednesday, September 7th, 2022, in the City Council Chamber, City Hall, 1300 Perdido Street, beginning at 1:30 p.m. It is strongly recommended that you attend this meeting to answer any questions or concerns the Commission might have. Additional meeting information including a copy of the agenda will be emailed to the contact address on file prior to the meeting.

Should you have any questions concerning this matter, feel free to contact me at (504)658-7047 or Dennis.Murphy@nola.gov.

Sincerely,
