Permit No.: 22-21097-RNVS

Dear Ms. Thibodeaux,

In response to your review of the plans for permit number 22-21097-RNVS, the following should fulfill the requirements necessary for permit release:

Safety and Permits:

1. The plumber riser diagram has been uploaded and is pending review.

Zoning:

1. The existing accessory structure is not scheduled to be connected to the main residence and currently separated by a 7'-0" breezeway.

Sincerely,

Daniel Zangara, AIA
