Confirmed Dennis. It's an interior buildout, no exterior work is to be done under this permit.

Thank you,

Good morning,

I have received your new application for work at the above referenced address. Based on the submitted scope description and drawings there does not appear to be any exterior work proposed. Please confirm that this request does not include any exterior work so I can mark this application as HDLC approval not required. If there is any additional exterior scope of work that needs to be completed that has not yet been reviewed or approved by HDLC then we can handle that through the current application #21-33635-HDLC. Please confirm via email and please let me know if you have any additional questions.

Thanks,

Dennis Murphy
