Dear louisiana demolition inc:

This letter confirms the actions of the New Orleans Historic District Landmarks Commission at its Wednesday, September 7, 2022, meeting, concerning your application for the following work:  
Demolition to grade of Contributing but altered two-story, mixed-use building.

At that time the Commission voted to: Approve the demolition to grade of the existing building. A Certificate of Appropriateness has been issued and has been submitted to Safety and Permits. Please contact that department for your demolition permit and a copy of the CofA. Please keep a copy of the CofA on-site and visible from the public right of way for the duration of work. Please contact HDLC Inspector Alex Nassar at (504) 658-7045 or [anassar@nola.gov](mailto:anassar@nola.gov) for a final inspection and permit closeout once all work under the permit has been completed.

Should you have any questions concerning this matter, feel free to contact me at (504) 658-7048 or [chase.klugh@nola.gov](mailto:chase.klugh@nola.gov).

Sincerely,

*Chase D. Klugh*
