Dear Natalie Deliso:

This letter confirms the actions of the Central Business District Historic District Landmarks Commission at its meeting of Wednesday, September 7, 2022, concerning your application for the following work: Retention of the renovation of a Significant rated, three-story, mixed-use building and construction of one-story garage at rear without a Certificate of Appropriateness.

At that time the Commission voted to:  
Grant the retention with the ARC recommendations.

Please submit one set of final detailed drawings reflecting the recommendations of the Architectural Review Committee. Following review, we will contact you regarding any errors, omissions, or changes. All drawings should be submitted to Staff electronically. Once approved, these drawings will then be transmitted internally to Safety & Permits for their review and permitting. As such, it is important that the final drawings are sufficient for review by both Departments. Should you have any questions concerning this matter, feel free to contact me at (504) 658-7055 or [wcargile@nola.gov](mailto:wcargile@nola.gov).

Sincerely,

*WLC*

Wendy Cargile
