Dear Edward Fleming:

This letter confirms the actions of the New Orleans Historic District Landmarks Commission at its meeting Wednesday, September 7, 2022, concerning your application for the following work:  
Demolition of existing Contributing rated one-story, single-family residential building to grade.

At that time the Commission voted to:

Approve the application for demolition to grade with the proviso that all existing windows are to be carefully removed and salvaged for donation or reuse. A Certificate of Appropriateness has been issued and has been submitted to the Department of Safety and Permits. Please contact that department for your demolition permit and a copy of the CofA. Please keep a copy of the CofA on-site and visible from the public right of way for the duration of work. Please contact HDLC Inspector Alex Nassar at (504)658-7040 or [anassar@nola.gov](mailto:anassar@nola.gov) for a final inspection and permit closeout once all work under the permit has been completed.

Should you have any questions concerning this matter, feel free to contact me at (504)658-7047 or [Dennis.Murphy@nola.gov](mailto:Dennis.Murphy@nola.gov).

Sincerely,

Dennis Murphy
