Work approved:

To relocate parapet of rear building as per Architecture Committee approval of 08/23/2022 and materials stamped VCC approved 09/14/2022. Work includes:

- Demolition of existing parapet from the top of the attic joists to the top of the wall, salvaging as many bricks as possible
- Construction of new parapet at the property line with all masonry above the roof deck to be brick exactly matched to existing and constructed as per VCC standard details (attached)
- Repair/replacement of the existing roofs on either side of the relocated parapet to match the respective roof slope

All work must conform to the VCC policies & guidelines. All repair/replacement work shall match existing in color, size, material, detail, profile and exposure. Failure to exactly match materials, details, profiles, exposures, and/or VCC mortar specified in the permit and associated attachments will result in a VCC Stop Work Order, VCC violation, and mandated repair of improper work.

Estimated cost: \$0.00 ngalbrecht 9/14/2022

This permit expires six (6) months from date of issuance and may be renewed if work is proceeding satisfactorily.

A permit may still be required from the City of New Orleans, Department of Safety and Permits. A Vieux Carré surcharge will be assessed against all city building permits which also require a Vieux Carré Commission permit. This project will be inspected on a regular basis by the Vieux Carré Commission staff to guarantee that the work executed conforms to this permit. The Vieux Carré Commission periodically must be granted access to the property for inspections and must be contacted to perform final inspections upon completion of the work.

I, the undersigned, understand that the work must be executed exactly as specified on this permit. If it is determined that changes are necessary, I will apply for those modifications prior to the commencement of any work on those changes.

I certify that I have the authority of the current property owner(s) to perform the "permitted" work.
