Terms and Conditions:

Stairway / Stair Parts Specifications:

You are responsible for ensuring that the stairway or stair parts specified on the above quote form meets your requirements. This includes ALL pertinent measurements. Please provide complete information and photos or drawings if possible regarding your specific application to your salesperson.

Please Note: Finished floor to floor height must include sub-floor and finished flooring materials.

Building Codes:

You are responsible for informing us of specific local building code requirements. If you are unsure, please ask your local inspector for clarification.

Shipping / Delivery:

We will contract with a carrier on your behalf or deliver your order with one of our trucks. When you receive your shipment, you must inspect it **BEFORE** signing the delivery receipt. If the product is damaged, you must note it on the delivery receipt **AND REFUSE** to accept delivery. If you do not follow these instructions, you will be responsible for return delivery fees, and re-delivery fees. If you selected a primed finish, some scratching or dirt can be expected during shipping. Cleaning and finishing your stairway or stair parts is the purchaser's responsibility. Some stairways that are delivered directly to a customer may require several people to off load. Please be prepared to handle the size / type of stairway that you ordered upon delivery. Weights and overall size dimensions can be obtained prior to delivery.

Installation:

Quoted prices **DO NOT INCLUDE INSTALLATION UNLESS SPECIFICALLY QUOTED ABOVE**

Payment Terms: A 50% deposit or full payment is required with all stairway and stair parts orders. The balance is due upon shipment of the order or upon delivery by Industrial Products.

Returns / Restocking Charge: Standard stair parts and stock spiral stairs may be returned. A 25% restocking charge will apply to all standard product returns. Custom stairways and stair parts may not be returned unless a manufacturer's defect is found. All returns require a Return Authorization Number which can be obtained from customer service.
