Elizabeth: Thanks for the submittals. I am referring them to our Floodplain Administrator, Jerome Landry, for his authoritative determination.

Jerome: See attached benchmark and elevation certificate. Is this structure high enough, or will this lady need to get a letter from SHPO?

Please advise,
W.

Hello Mr. Jones,

Here are three files I was able to locate. I am pretty sure we are ok for the permit for the foundation, as the house should be high enough. Otherwise, I will have to get a letter from the Historical Society/Tax Credit offices to exempt me from raising the house. I am looking now for the floor plan.

Thanks for everything,
Lee
