Dear Verges Rome Architects:

This letter confirms the actions of the New Orleans Historic District Landmarks Commission at its meeting Tuesday, October 4, 2022, concerning your application for the following work: Repair and/or replacement of existing roof areas on the existing rectory due to damages from Hurricane IDA.

At that time the Commission voted to: Approve the use of the proposed new roofing material. An HDLC Certificate of Appropriateness (CofA) has been included for the roofing work at 1404 Erato Street. The HDLC has notified the Department of Safety and Permits. This Department will contact you directly with payment information and the building permit. Do not begin work until the building permit has been issued.

Should you have any questions concerning this matter, feel free to contact me at (504) 658-7048 or chase.klugh@nola.gov.

Sincerely,

Chase D. Klugh
