Dear Donna S Stetler:

This letter confirms the actions of the New Orleans Historic District Landmarks Commission at its Tuesday, October 4, 2022, meeting, concerning your application for the following work: Retention of inappropriate stained-glass gable window and inappropriate gable vent at a Contributing single-family, camelback residential building.

At that time the Commission voted to: Approve the retention of the stained glass at the gable window and deny the retention of the inappropriate louvered gable vent at the camelback addition. An HDLC Certificate of Appropriateness (CofA) has been included for retroactive approval of the stained glass and removal and installation of appropriate gable vent as per the approved drawings.

Should you wish to appeal the Commission's decision to the City Council you must provide a written request for appeal to both the HDLC and the Clerk of Council, City Hall, Room 1E09, New Orleans, LA 70112 within ten (10) calendar days of the Commission meeting. A copy of this letter should be included with the request.

Should you have any questions concerning this matter, feel free to contact me at (504) 658-7048 or chase.klugh@nola.gov.

Sincerely,

Chase D. Klugh
