Good evening Mr. Warren,

They will be no plumber added to the current building so therefore there is no Riser diagram needed. I'm attaching my detailed construction contract and I've uploaded to the One Stop Portal. I have already been approved by the fire Marshall and that document is in my portal as well. Please let me know what else is need to get my permit.

Thank you

Mr. Harden (Javonn),

Thanks. Noted and applicable plan review comment closed. Will await SWBNO riser diagram approval whenever available.
