Dear Jeremy Miles:

This letter confirms the actions of the Architectural Review Committee (ARC) of the New Orleans Historic District Landmarks Commission at its meeting of Tuesday, October 18, 2022, concerning your application for the following work: Construction of new rear addition at a Contributing rated, two-story, single-family residential building.

The ARC recommended conceptual approval with the details to be worked out at the staff level. The ARC stated that the four new windows at the side elevations of the addition should match the existing historic windows in size. The eave line at the new rear porch should match the roofline of the addition so it is continuous.

This has been placed on the agenda of the upcoming New Orleans HDLC Commission meeting to be on Wednesday, November 2, 2022, in the 21st Floor Conference Room, 1340 Perdido St, beginning at 1:30PM. It is strongly recommended that you attend this meeting to answer any questions or concerns the Commission might have. Should you have any questions concerning this matter, feel free to contact me at (504) 658-7055 or wcargile@nola.gov.

Sincerely,
WLC

Wendy Cargile
