RE: UNAUTHORIZED PERMIT APPLICATION

To Whom It May Concern,

On Thursday October 6,2022 I received a call from LHS Insulation. The representative from LHS Insulation stated that he noticed I was recently granted a building permit for 1632&1634 Florida Ave. I informed him I was driving and I'd get back to him shortly. This was the first time I'd ever even heard of that address. Me nor my Company was not associated with the permitting application process of this permit. We continue not to be apart of this job. I Michael Prater never signed any documents associated with this address and was unaware that me and my company name were being used without my consent.

Sincerely

Michael Prater
