Ms. Tyler,

I will be self-performing minor repair work to address Hurricane Ida damage. This includes exterior siding and paint repairs to the rear gable; as well as soffits and fascia were damaged. All work will be an in-kind replacement.

Thank You,

Good morning,

1630 N Galvez St. is located in a Local Historic District which is under the jurisdiction of the HDLC. I am working on the HDLC review of this project; please let me know when you have uploaded a signed contract or some other document showing the full scope of proposed work. I reiterate, please email me when these documents have been uploaded, as our internal system will not alert me. Alternately, you can email this documentation to me, and I can upload it for you (**you can also just respond to this email with the whole scope of work outlined**).

Please note that drawings, site plans, or other details may be required depending on the scope of work.

Thank you -

Yvette Tyler
