New Orleans, LA 70112
(504) 658-1420

Permit No. 22-32982-VCPNT

**The Vieux Carré Commission hereby grants permission
for the approved work specified below.**

Issued in accordance with Chapter 166 of the 1995 Code of the City of New Orleans, this permit is only for the work which meets commission guidelines, policies, and specifications. This permit must be posted on the site, along with any approved plans and specifications, so as to be visible from the street.

Address: 716 Dauphine St Phone: 504-259-0039

Applicant: Dali Kamal

Owner: White Friars South LLC

Contractor: Dali Painting & Renovation

Work approved:

To prepare for painting by washing using a low water pressure (400 psi max) and/or sanding (rotary sanders cannot be used), making minor millwork and masonry repairs as necessary to match existing conditions (masonry mix must be soft, with maximum Portland cement content not to exceed 1 part to 12) and to paint as follows to match existing conditions:

- repair/ replace fascia where necessary, all work to match existing
- to repaint decking. color should be decking gray, to match existing

NOTE: Exposed brick is NOT to be painted unless explicitly called for in the permit. Outriggers under the balconies or galleries and underside of the decking should be painted white as they are not decorative ironwork elements. Batten shutter hardware, strap hinge hardware must match the adjacent surface: Hinge attached to the shutter must match the shutter color, Hinge attached to the trim must match the trim, Shutter hardware should not be painted black. *The VCC prohibits the application of the following exterior coating materials and paints: Sealers, Ceramic coatings/paints, Elastomeric coatings/paints, Waterproofing/water repellent coatings. Foam, spray foam sealers are not allowed.*

All work must conform to the VCC policies & guidelines. All repair/replacement work shall match existing in color, size, material, detail, profile and exposure. Failure to exactly match materials, details, profiles, exposures, and/or VCC mortar specified in the permit and associated attachments will result in a VCC Stop Work Order, VCC violation, and mandated repair of improper work.

All work must conform to standard VCC policies & guidelines.

Estimated cost: not stated rdbourgogne 11/11/2022

This permit expires six (6) months from date of issuance and may be renewed if work is proceeding satisfactorily.

A permit may still be required from the City of New Orleans, Department of Safety and Permits. A Vieux Carré surcharge will be assessed against all city building permits which also require a Vieux Carré Commission permit. This project will be inspected on a regular basis by the Vieux Carré Commission staff to guarantee that the work executed conforms to this permit. The Vieux Carré Commission periodically must be granted access to the property for inspections and must be contacted to perform final inspections upon completion of the work.

I, the undersigned, understand that the work must be executed exactly as specified on this permit. If it is determined that changes are necessary, I will apply for those modifications prior to the commencement of any work on those changes.

I certify that I have the authority of the current property owner(s) to perform the "permitted" work.
