Owner's Present Address

NOLA
City/State/Zip Code

The undersigned Licensed Master Plumber applies for permit to do plumbing work in the above described premises and submits herewith sketch and description of work to be installed and does hereby agree to conform strictly to all ordinances of the City and all Conditions, Rules and Regulations of the Board of Health, and the Sewerage and Water Board, and to give due notice to the Inspector of Plumbing when work is ready for inspection, as prescribed in the Plumbing Rules and Regulations.

Name of Firm

Licensed Master Plumber

Signature of Authorized Representative

Work herein specified to be in charge of _____ Mechanic

NOTICE

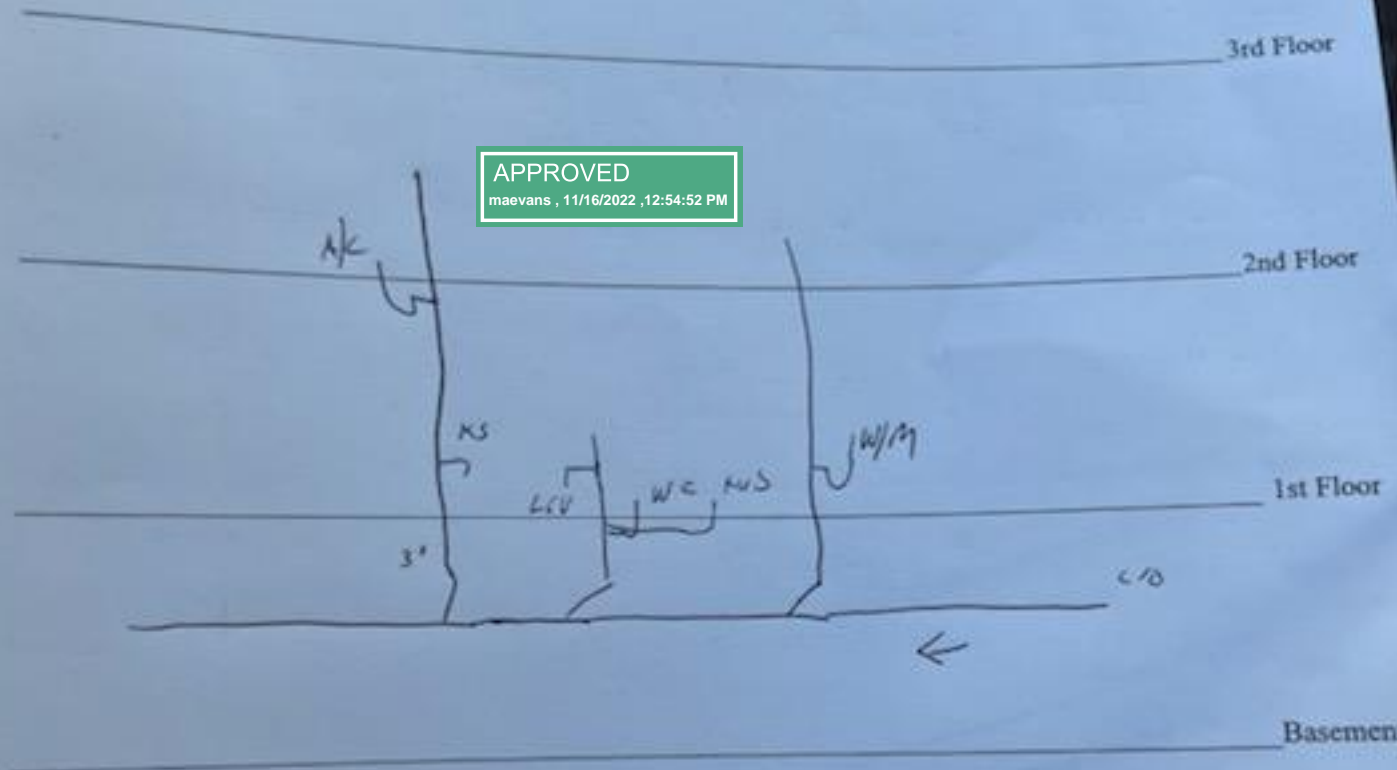

Any person who performs plumbing work as defined by the Louisiana Plumbing Law, LA R. S. 1377, shall possess a license Issued by the Louisiana State Plumbing Board. A master plumber shall properly designate his employing entity to the Board. Any questions concerning compliance shall be addressed to the Board.

PLUMBING APPLICATIONS ARE OPEN FOR 6 MONTHS

PLAN

On this page draw a sketch of the plumbing (not necessarily to scale), showing as nearly as possible the relative position of the fixtures. In elevation show the floor of the house, and upon which floor each fixture is placed. Specify the length, size, weight or quality of all soil waste or ventilating pipes, and such description as is not clearly set forth in the preceding list. Plot plans or blue prints showing underground pipe lines and arrangement of fixtures shall be attached to and become part of the application, affording sufficient and definite information. New pipe, fittings, and fixtures must be shown in BLACK. Old pipe, fittings and fixtures must be shown in RED.
