

- Four color photos labeled as follows, providing a full view of the:
 - Front of the structure to be demolished (with the municipal address listed on the photo);
 - Rear of the structure to be demolished (with the municipal address listed on the photo);
 - Right of the structure to be demolished (with the municipal address listed on the photo); and
 - Left of the structure to be demolished (with the municipal address listed on the photo).
- Copy of the Assessor's Aerial Map, with the subject property indicated.
This attachment is available via: <https://qpublic.net/la/orleans/search1.html>
- Recorded act of sale or other proof of ownership.
- If re-development is planned, redevelopment site and exterior elevation plans (can be hand drawn).
- The cost estimate for the demolition from a licensed contractor. This is required even for applicants who will complete the work themselves.
- A photo indicating the posting of notice for the demolition application on or near the property.
- A photo of the notice itself, indicating:
 - The municipal address on the property to be demolished; and
 - Contact information for the district City Council office (for the public to contact if they need additional information).
- If the demolition is City initiated, a copy of the notice the City mailed to the owner providing that the City intends to request demolition of their property.
